### THE CAMP EXPERIENCE

Summer camp offers children the opportunity to make new friends in their neighbourhood and try new things in a friendly and fun atmosphere. We are located within cycling or walking distance for most families and offer an affordable, fun and unique summer camp experience for children ages 4 - 11. Parents may register their child(ren) for a maximum of 2 sessions of camp in order to ensure that more families are included in the camp. Additional weeks may be available and may be made during the registration period for additional sessions. You will be contacted if there are spaces become available after registration has ended. Please come prepared with a second choice of preferred sessions, should your first choice be full.

### SUMMER DAY CAMP THEME WEEKS

Themes are a guide to activities planned that week. However, every week includes indoor and outdoor activities, sports, games and crafts. The day camp is limited to 28 children per week per session.
